

Free Flight

July 2023

“Another kind of flight, a spiritual liberation!”

Overeaters Anonymous is a fellowship of individuals who, through shared experience, strength, and hope, are recovering from compulsive overeating. We welcome everyone who wants to stop eating compulsively.

Taking Responsibility

It seems that all my life had been a series of reactions from fear, anger, or resentment toward others and situations, or from my own negativity or shame. To deal with my despair and inner turmoil I had to stop blaming life and find a new way of thinking.

With help from the OA program and my Higher Power, I learned that I can accept others as they are. I learned that I am not a victim of life. I can care for and be responsible for myself and my thinking. I can consciously choose positive thoughts and decisions that enable me to act on life one day at a time.

Any time that my food obsession returns, it is a sign for me that I need to look at my reactions to people and things. I need to willingly take responsibility for my part, and for my happiness. I need to own my own power to take action.
